ELECTION OF SPECIES

COMMISSIONER FOR PATENTS  
ALEXANDRIA, VIRGINIA 22313

RECEIVED  
OCT 10 2003  
TECHNOLOGY CENTER R3700

SIR:

In response to the election of species requirement of September 9, 2003, Applicants hereby elect species of Figs. 15(a) and 15(b). Claims 1-12 correspond to this species.

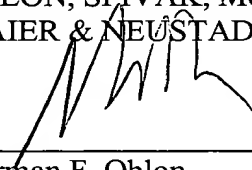

This election is being made with traverse. Any proper search for the elected species will also necessarily require a search through the appropriate classes and subclasses for the other species. It would therefore not constitute a significant additional burden on the Office for the examiner to examine all of the species in the present application, and so the election of species requirement is believed to be unjustified.

Application No. 09/902,697  
Reply to Office Action of September 9, 2003

Favorable and timely consideration of the elected species is requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
